MEMORANDUM FOR: Assistant Director, ORR

SUBJECT: Mid-Career Training Program

REFERENCE: Memo for AD/RR from Asst. to DD/I (Admin)  
dated 25 February 1963, same subject

1. The Mid-Career Training Program as outlined in the proposed notice seems to have considerable merit and to be sufficiently flexible to meet both individual and management needs.

2. We should be assured, however, that the required 6-weeks course will be pitched at a high, sophisticated level and will be built upon and not a repetition of knowledge already acquired by the careerist. The objectives as stated in paragraph 5 of the proposed notice appear to be too elementary for a mid-career course. This portion of the notice might be revised to conform more closely with the broader objectives given for this course in the 26 June 1961 memorandum on the Mid-Career Development Program from the Director of Training to the Career Development Board.
